

West Palm Beach *at the movies*

While we are thrilled to once again open the Clubhouse Theater for movies, it is of the utmost importance that we do so safely. A combination of safety protocols and experience enhancements have been put into place which will provide a safe environment for those who choose to attend.

- All residents will be required to wear facial coverings and observe social distancing while in the Clubhouse and theater.
- Restrooms and frequently touched surfaces such as counters, railings, door handles, elevator buttons, and chairs will be cleaned and disinfected regularly.
- Sanitizing stations will be placed at all entry points for hand disinfecting after entering the Clubhouse and theater, and additional sanitizing stations will be available throughout the Clubhouse.
- Guests will not be permitted at this time.
- Social distancing will be encouraged through the use of signage and visual cues on the floor throughout the Clubhouse - Please follow all directives, including those communicated through signage and visual cues on the floor.
- Limited seating arrangements have been made in the theater to comply with CDC guidelines and local government regulations regarding capacity and social distancing. Social distancing will require physical separation between seats for all theater patrons who do not reside in the same household.
- No changing seats after seated.
- No admittances to the theater 10 minutes after the movie has begun.
- As always, please take note of the emergency exits: Two at the front of the theater (right and left of the stage) and one left side exit near balcony.
- Please adjust hearing aids and listening devices, and silence cell phones.
- NO food or beverages permitted in the theater.
- Perfume and colognes are not permitted in the theater. Please be respectful of your neighbor's sensitivities.

Thank you, as always, for your loyalty, support, and encouragement during these challenging times.
